

Raising institutional profile and advancing career opportunities through effective publishing

Join us for a free workshop - supporting success in research publishing:

Where: Bilkent University Library, Art Gallery

When: 24 April 2018 Tuesday, 14.00-16.30

Note: There is no need to register.

These workshops are aimed at authors and researchers who:

- intend to publish their research in quality research journals;
- authors and researchers who would like tips and guidance about writing, submitting and promoting their manuscripts.

Wiley Researcher Academy

"A comprehensive, online platform pedagogically designed to deliver effective training on writing and publishing to authors across the entire global community"
